

1 FUNDRAISING ONLINE AND WITH TECHNOLOGY

There are several crowdfunding websites you can use to raise money for your trip. A clear, thorough description and great picture helps in getting attention and respond to your request.

2 IN LIEU OF GIFTS

Ask your family and friends to donate to your trip in lieu of birthday presents

3 NON-PROFIT ORGANIZATIONS

Look for a local non-profit that helps students who are seeking to travel to learn.

4 COMMUNITY SERVICE ORIENTED

- Christmas Clean up: Offer services to remove Christmas lights or decorations outdoor or indoor. A flat fee or donations could work.
- Yard Service: All seasons bring yard work! Rake, shovel, mow or pull weeds to your financial goals.
- Post a Service Board: Set up a bulletin board where members of the community can post odd jobs or services with the price they would pay for the job.

5 SELF-PAY

Although monthly payments are not required, set a monthly payment plan to get your trip paid off.
