--Helpful Hints--

We recommend one clothing outfit per day

Check with your Group Leader concerning any specific packing requirements for your trip

Put your full name and address on all luggage and personal items

Discover Puerto Rico Tours assumes no responsibility for lost items so encourage your child to exhibit responsibility

Remember to keep the weight manageable as you will be carrying those items from time to time

When sightseeing on tour, leave all backpacks on the bus and take only what you will need (such as money and cameras) in order to expedite entrance into the various sights/museums

--Air Travel Tips--

All travelers age 18 and over must have a picture ID (driver's license, ID card, passport, student ID, etc.) When flying, your Group Leader may want everyone to take carry-on luggage rather than checking your luggage – follow the Group Leader's desires

For air travelers, be prepared to pay the luggage fee at the airport.

DO NOT LOCK YOUR LUGGAGE unless you have a TSA approved lock – your luggage is subject to search at any time

Keep in mind that security has increased at the airports as well as at many of the sights you will visit while on tour

FAA regulations limit passengers to one carry-on and one personal item

Pocket knives, metal scissors, and metal nail files are not allowed in carry-on and must be placed in checked luggage – try to avoid taking any of these items with you

Always put your name and address on the inside of your luggage

Watch your bags and personal belongings at all times and NEVER leave your luggage unattended. If you must leave the area where you have placed it, even for a moment, take your luggage with you.

Do not joke about having a bomb or firearm or discuss terrorism, weapons, explosives, or other threats while anywhere in the airport and especially while going through security checkpoints. The mere mention of words such as "gun," "bomb," "terrorist," etc., may compel security personnel to detain and question you. They are trained to consider these comments as real threats.
